SCITUATE TOWN REPORT

COLUMBIA 1773

The ship on the cover is the Columbia built in 1773 by James Briggs at Hobart's Landing on the North River in Scituate. The ship was 212 tons, length 82¼ feet, beam 24 feet 2 inches. This was the most famous American ship built at that time. With Robert Gray as captain, she was the first ship to carry the Stars and Stripes around the world. Captain Gray discovered the Columbia River and named it after his ship.

When the first shuttle went up into space, it was named Columbia by NASA in memory of the pioneering ship Columbia.

This year, at Gray's Harbor in Washington State, the keel has been laid for the building of a replica of the Columbia to be completed in 1992/3.

75TH ANNIVERSARY

This is the 75th anniversary year of the Scituate Historical Society. The Society was organized in 1916 and incorporated by the State in August of 1917. We have an executive board consisting of six officers and six trustees.

The Lighthouse, the Cudworth House and the Mann Farmhouse are under the custody and administration of the Society. The Little Red Schoolhouse, the Stockbridge Mill, the Old Oaken Bucket Homestead and the Cudworth Barn are all owned by the Society. We have over 700 members, hold four meetings a year, run six historic tours each year and every year we take hundreds of children through these sites teaching them about the history of Scituate.

1990 TOWN REPORT

DEDICATED TO

EDWARD P. HORNE

SOME MIGHT SAY THAT ED HORNE NEVER MISSED A PARADE AND, IN FACT, THAT IS ABSOLUTELY TRUE SINCE HE WAS THE GUIDING HAND BEHIND EVERY MEMORIAL DAY PARADE IN SCITUATE IN RECENT HISTORY. THIS MODEST TOWN REPORT FOR THE YEAR 1990 IS DEDICATED TO ED IN GRATEFUL APPRECIATION FOR ALL THAT HE HAS CONTRIBUTED TO TOWN GOVERNMENT IN BOTH ELECTED AND APPOINTED SEATS. WE THANK HIM MOST ESPECIALLY FOR THE YEARS HE DEVOTED TO THE PREPARATION OF PAST TOWN REPORTS.

REPORT OF THE TOWN MODERATOR

John G. Rosen, Jr.

The 1990 Annual Town Meeting was more than well attended. There were more than 1000 voters present. The extraordinary interest appeared to be in Article 6, "FY 1991 Supplemental Budget" for \$1,334,220; otherwise known as a Proposition 2-1/2 Override. There was a nominal amount of discussion prior to the article being passed — a majority vote. Although the vote to appropriate the money for the override was significant, the ballot question passed by a slim margin, 76 votes: 3081 for — 3005 against. All business of the Annual Meeting was completed in one session.

I wish to thank the members of the Advisory Committee and the Capital Planning Committee for their hard work and long hours spent in the performance of their duties.

Respectfully submitted,

John G. Rosen, Jr.
Moderator

REPORT OF THE BOARD OF SELECTMEN

Dr. Donald Brown

Richard Blake

Gerald Dwight

Joseph Norton

Andrew Zilonis

This was a very, very difficult year in the Town of Scituate for both those involved in government and for the residents. Faced with declining revenue the Board of Selectmen made the only decision possible and agreed to place a request to over-ride Proposition 2-1/2 on the ballot for the Town Election. Preparatory to this, two budgets were drawn and presented to Town Meeting in March; one represented severe cuts in personnel and services and the other included the over-ride request. The voters expressed their support for the over-ride request and that budget was adopted. As a result we were able to maintain a level of service closer to that enjoyed in the past. The Board, again reluctantly, also found it necessary to implement a fee schedule in an attempt to make some of these services self-sufficient.

In January of this year the Board set in motion the Citizens' Service Review Committee whose charge is to study in depth all Town functions to insure that services in place are meeting public need in an efficient and effective manner. That committee will report back to the Board early in 1991 with their

observations and recommendations with a view toward further streamlining Town government.

Certainly the outstanding physical change this year is clearly visible on Front Street. After ten years in the planning and permitting stages the drainage and reconstruction is almost complete with the final stages scheduled for early next year. The patience and understanding of Scituate's merchants and residents during the reconstruction is much appreciated and we hope that the results will prove well worth the inconvenience reconstruction may have caused.

In March the Board welcomed Richard H. Agnew as he took up his duties as Town Administrator, bade farewell to Evelyn S. Ferreira who completed the unexpired term of Bob Thorndike, and welcomed Richard H. Blake, newly elected Board member.

Many meeting hours were dedicated to the question of the return of rail and specifically the Greenbush line to Scituate. The members of the Board reaffirmed their position in support of the restoration and made the decision to once again present a ballot question to the voters to determine their level of support for the return of rail service in the Town Election of 1991.

In retrospect, although 1990 may have been a difficult year economically, Scituate fared as well, if not better than many towns in Massachusetts and the members of the Board join with me in expressing our thanks to those who went the extra mile, took on the added responsibility willingly, and did their best to get us through it.

Donald W. Brown, *Chairman*
Board of Selectmen
1990-1991

CAPITAL PLANNING COMMITTEE

The Capital Planning Committee reported to the Board of Selectmen that the Fiscal Year 1991 Capital Plan consisted only of existing lease/purchase agreements that were part of the six-year projections. The Town Accountant advised the Capital Planning Committee that the lease/purchase agreements were of varying length, with one as long as eight years, due to a number of factors. The agreements were not entered into simultaneously, and some leases took effect near the end of the subsequent fiscal year because of unique requirements of the various pieces of equipment. In other cases, there were delivery delays or late acceptance of equipment. Consequently, the coming fiscal year will have a base of equipment lease/purchase payments equal to the past year.

The position of the Capital Planning Committee represented a recognition of the fiscal condition of the Town as it moved toward the Annual Town Meeting. Even at the minimal level, the Board of Selectmen had to go back to a Special Town Meeting and ask to reduce the fifth-year lease/purchase payments under Article 6, Item 2, ATM by half and request funding from an alternative source. If the ballot question that supported a fixed percentage of state revenues be reserved as State Aid to Cities and Towns remains unamended, the Capital Planning Committee may look for a more realistic capital improvements plan in the coming years.

Respectfully submitted,

David J. Hines, *Chairman*

Edward Cassasa

Thomas O'Connor

Richard H. Agnew, *Town Admin.*

Donald Brown, *Sel. Liaison*

REPORT OF THE TOWN ADMINISTRATOR

Richard H. Agnew

I am pleased to submit this my first Town Report as the Town's sixth Town Administrator. This position I assumed March 1, 1990 after a lengthy search by the Board of Selectmen. During the first two months of 1990, Ceil Coan continued to act as Interim Town Administrator aptly preparing the budgets and warrant for the 1990 Annual Town Meeting.

Prior to taking the position in Scituate, I had served eight months as Executive Secretary in Needham, seven years as Marchfield Town Administrator and six years as Assistant Executive Secretary in Plymouth. I am very proud and honored to now serve Scituate, and look forward to a long and successful career here.

Much of my time this year has been devoted to personnel matters. Several upper level management positions have now been filled by dedicated professionals whose goals are to serve the residents of Scituate and include:

James Breen, *Fire Chief*
Charles Curran, *Deputy Fire Chief*
Ralph Crossen, *Building Commissioner/ZEO*
Kathleen Meeker, *Library Director*

With regard to financial matters, several noteworthy items need to be brought to your attention. July 1990 brought an end to the old statutory accounting system. The accounting firm of Peat, Marwick assisted the Town on converting to the new UMAS system which includes generally accepted accounting and reporting principles. This system will allow us to provide more accurate and timely reports to the State as well as our bond purchasers.

The fiscal 91 tax rate was set at \$11.09 per one thousand valuation and the Town will raise \$17,405,186 in tax levy. This includes an over-ride of \$1,334,220 which was voted at the last Town election. The current valuation of the Town now exceeds 1.5 billion dollars.

My goals for the coming year include:

1. A cost effective resolution to the Wastewater Treatment Plant problem.
2. Installation of a more efficient telephone system for the entire town; hopefully, including a new enhanced 911 emergency line.
3. Installation of our own data processing system eliminating the slow and costly approach to service bureaus.
4. Improvements in labor relations and other personnel matters including the formulation of a personnel policy manual.
5. The siting and construction of a new animal shelter.
6. Maintaining the level of services expected by the public under a balanced budget.
7. Reinstitution of a capital improvement program.

I would like to take this opportunity of thanking the Board of Selectmen and all Town departments for an outstanding year under some very trying circumstances. I look forward to another year of cooperation and successes.

Respectfully submitted,

Richard H. Agnew,
Town Administrator

ADVISORY COMMITTEE

Robert Drew

The Advisory Committee is composed of nine citizens appointed to three-year terms by the Town Moderator. It conducts hearings and makes recommendation on all matters to come before Town Meeting(s). These recommendations are published prior to Town Meeting(s) in the "Advisory Committee Booklet." During the year the committee is responsible for transferring money from the Reserve Fund (\$90,000) individual department budgets to cover "unforeseen emergencies."

Respectfully submitted,

Robert M. Drew,
Chairperson
William Limbacher,
Vice-Chairperson

REPORT OF THE TOWN COUNSEL

Leonard Kopelman

The year 1990 was an active year in which the Town Counsel rendered numerous opinions to town officials and approved contracts as to form. We have had numerous zoning and subdivision cases, which have become a problem for all cities and towns throughout the state. Due to the higher valuation of land, people are litigating more. We also rendered numerous opinions to various boards and commissions. We did a substantial amount of work in connection with the case *North and South River Watershed Association v. Town of Scituate*, a citizens suit filed under the Federal Clean Waters Act alleging that the Town's sewage treatment facility is in violation of federal law. There has been extensive litigation including cross motions for summary judgment.

We attended Town Meetings, and upon request the meetings of the Board of Selectmen or other lower boards. There are presently pending approximately 20 open cases, many of them relating to zoning issues.

We extend our appreciation to the Board of Selectmen for their confidence in retaining this firm, and appreciate the assistance and cooperation received on all matters from the Board of Selectmen, Town Meeting, Town Administrator, Department Heads, Boards, Committees, and other Town personnel. We look forward to working with the members of the Town government in the future.

Respectfully submitted,

Leonard Kopelman,
for the firm of
Kopelman and Paige, P.C.,
Town Counsel

BOARD OF ASSESSORS

Stephen Jarzembowski

Brian P. Shillue

Robert E. Brooks

Francis Obert, Jr.

With the completion of the FY/1991 Revaluation, 1990 was both a busy and productive year.

In October of 1990 after reviewing the results of the revaluation, the Department of Revenue certified the new values as representing full and fair cash value as of January 1, 1990.

In spite of the additional duties created by the revaluation, the office staff worked diligently to ensure that other deadlines were met timely and efficiently.

The Board of Assessors is confident that taxpayers who have had questions or needed the services of the office have been treated courteously, promptly and professionally.

Once again, the Board would like to thank the Clerks of the office, Winnie Von Kahle, Gere Lind and Nancy Corcoran for a job well-done during a very difficult year.

Respectfully submitted,
Stephen Jarzembowski,
Director of Assessing
Brian P. Shillue, *Chairman*
Robert E. Brooks
Francis A. Obert, Jr.

PLANNING BOARD

Ross J. Kiddie

Thomas A. Bledsoe

James C. Hunt

Herbert M. Kuendig

Ilana Quirk

In 1990 the Planning Board held a total of 34 meetings to deal with development projects and to address the planning and zoning issues for the Town. The Board reviewed 14 Form A plans; 10 site plans/site plane special permits/site plan waivers; 3 Flood Plain & Watershed Protection District Special Permits; 2 Common Driveway Special Permits; 2 Accessory Dwelling Special Permits; 6 Chapter 91 License Filings; 1 Preliminary Subdivision Plan and 2 Definitive Subdivision Plans.

In 1990 the Town Planner position was reduced to a part-time position. Mr. Ralph Crossen, Building Inspector/Zoning Enforcement Officer, was appointed Assistant Planner and is presently assisting the Planning Board with the day-to-day operations of the Planning Office.

Respectfully submitted,

Ross J. Kiddie, *Chairman*
Thomas A. Bledsoe, *Vice Chairman*
James C. Hunt, *Clerk*
Herbert M. Kuendig
Ilana Quirk

SCITUATE HOUSING AUTHORITY

The Scituate Housing Authority faces a great challenge as it copes with the financial belt-tightening at the state and federal levels.

We continue to manage our properties from the rents we receive, but we must seek new and creative sources of funding and continue our efforts toward energy conservation. Fortunately, the services and technical know-how of our Executive Director, Merrill A. Merritt, have enabled the Authority to keep pace with the maintenance and upkeep of the Authority's properties.

Among the projects this year were the roof-reshingling and installation of new aluminum gutters at Wheeler Park I, eliminating any further need for painting; installation of additional parking, exterior painting and staining at Lincoln Park, and completion of exterior painting at Central Park. Our Community Residence on First Parish Road was renovated with our new energy-saving windows, a new front entrance and paint.

Our goal continues to be good affordable family housing for Scituate to maintain the fast-eroding economic mix which gives Scituate its special strength and vitality.

Respectfully submitted,

Loretta McCabe, *Chairman*
Malcolm Hall, *Vice Chairman*
Thomas Snow, *Treasurer*
Mary O'Connor, *Asst. Treasurer*
Carl Chessia, *Asst. Treasurer*

METROPOLITAN AREA PLANNING COUNCIL

Thanks to Scituate and 100 other communities, the Metropolitan Area Planning Council could continue to provide communities with regional planning services throughout fiscal year 1990.

1. As part of MetroPlan 2000 — our regional development plan — Scituate was included in the following projects:
 - a. mapping the sewer service area
 - b. detailed analyses of sewer and water capacities
 - c. solid waste management analyses and mapping
 - d. analysis of local transportation priorities
 - e. economic development and housing analyses
 - f. open space and resource protection data analyses

MetroPlan 2000 has been presented to the Scituate Board of Selectmen.

2. Scituate was also included in these MAPC demographics reports:

Employment and Income Forecasts
Population and Age Group Forecasts
Regional and Community Population and Employment Forecasts
Business and Residential Growth in Metropolitan Boston

3. MAPC also tracks recent and proposed commercial, industrial and residential development projects in Scituate for research purposes.
4. The South Shore Coalition worked on these projects:
 - a. The SSC produced a complete listing of all the fees charged by the Coalition towns.
 - b. The first phase analysis of the solid waste management practices of the ten towns was completed, with proposals for the future.
 - c. The SSC lobbied for the disposal of the Central Artery construction material on Spectacle Island.
 - d. The SSC testified on behalf of the restoration of the Old Colony Railroad.
 - e. The SSC worked with the South Shore National Science Center, the Mass Audubon Society, the New England Wildlife Center and the League of Women Voters to produce a major Earth Day program.
 - f. With the Environmental Protection Agency, the SSC successfully lobbied for the Massachusetts Bay and the Cape Cod Bay to be included in the National Estuary Program.

MAPC appreciates Scituate's continued support, and looks forward to further service in the years ahead.

Sincerely,

Thomas Bledsoe
MAPC Representative

REPORT OF THE TOWN ARCHIVES

Dorothy Clapp Langley

During 1990, the Scituate Archives has continued its objective of preserving the Town's old and valuable records and making them available to the public. During this year, the County Commissioner's office in Plymouth sent a representative to us to examine our one and only of its kind, "General Lawes and Liberties of New Plymouth – 1658-1691." We understand that there was a copy of this book mandated for each of the towns in the Colony; at the present date, Scituate is the only town in which it seems to be available.

Also during this year, the "Friends of the Archives" have purchased, for public research, Vital Records of Kingston, Duxbury, Pembroke, Middleboro, and Taunton; Marshfield History, 1640-1990; Lathrop Family; New England Marriages prior to 1700; Mayflower Marriages; Passengers to America, 1620-1836; Scituate's Educational Heritage by Jarvis Freymann and "The Life of Capt. John L. Manson," edited by Barbara Murphy. The latter is on sale at our Archives.

Probably our most important endeavor of the year was having the Town's earliest records, Vital Statistics, and earliest Church records put on microfiche. We are awaiting the delivery of a microfiche reader with which to view these fiche. Our old and valuable early records need not be handled again and will remain in good preservation in our dehumidified vault.

We have assisted well over a hundred researchers at the Archives and have written much material to send in answer to queries sent in to us. We gave a tour to a group of twenty or more Spanish students during the end of September. They were here in Scituate as part of the Spanish-American student exchange program.

I wish to thank Town Clerk Pauline Guivens, Assistant Town Clerk Barbara Maffucci, Assistant Archivist Carol Miles, Archivist Emeritus Hilda Stenbeck, and Town Hall personnel who have assisted me in the operation of this department.

Respectfully submitted,

Dorothy Clapp Langley
Town Archivist

COLLECTOR OF TAXES

REPORT OF THE TOWN CLERK

Pauline F. Givens

ANNUAL TOWN MEETING MARCH 5, 1990

RESOLUTION

WHEREAS, Guido J. Risi has served his Town faithfully, and with great distinction as Principal of the Jenkins, Wampatuck and Hatherly Schools from 1959-1989; and

WHEREAS, his leadership has been instrumental in the development of many vital programs such as the Scituate Basic Skills Improvement Program, and the Computer Education Blueprint for the Scituate Public Schools, both of which became models for communities throughout Massachusetts; and

WHEREAS, Mr. Risi gave of his time and expertise as chairman of numerous curriculum committees, most notably the Elementary Mathematics and Elementary Science Committees, resulting in the revitalization and continued growth of the curriculum of the Scituate Public Schools; and

WHEREAS, his service over these many years has been distinguished by constant creativity, extraordinary vitality, leadership dedication to excellence, and above all, a love of children;

THEREFORE, BE IT RESOLVED, that the Town of Scituate acknowledge with deep appreciation the energy and dedication with which he fulfilled his responsibilities; and

BE IT FURTHER RESOLVED, that a copy of this resolution be entered into the official records of the 1990 Annual Town Meeting, and that a copy be presented to Mr. Risi in official recognition of the Town's gratitude.

ARTICLE 1.
Reports

To see if the Town will vote to hear the Report of Selectmen or other Town Officers and Standing Committees, and act thereon, or take any other action relative thereto.

Report of the Board of Selectmen by Joseph P. Norton, *Chairman*
Report of the Advisory Board by Robert M. Drew, *Chairman*
Voted to accept. Unanimous vote.

ARTICLE 2.
Authorization to Borrow

To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the twelve-month period beginning with July 1, 1990 in accordance with General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year. In accordance with General Laws, Chapter 44, Section 17, or to take any other action relative thereto.

VOTED to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the twelve-month period beginning with July 1, 1990, in accordance with General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.
Unanimous vote.

ARTICLE 3.
Compensation of Elected Officials

To see if the Town will vote to establish the salaries and compensation of all elected Town officials or take any other action relative thereto:

SELECTMEN:	
Chairman & Legitimate Expenses	\$ 1,200
SELECTMEN:	
Members & Legitimate Expenses	1,600
ASSESSORS:	
Chairman & Legitimate Expenses	1,200
ASSESSORS:	
Members & Legitimate Expenses	800
TREASURER/COLLECTOR & Legitimate Expenses	39,891
TOWN CLERK & Legitimate Expenses	26,754

VOTED to establish the salaries and compensation of all elected Town officials for Fiscal Year 1991 as follows:

SELECTMEN:	
Chairman & Legitimate Expenses	\$ 1,200
SELECTMEN:	
Members & Legitimate Expenses	1,600
ASSESSORS:	
Chairman & Legitimate Expenses	1,200
ASSESSORS:	
Members & Legitimate Expenses	800
TREASURER/COLLECTOR & Legitimate Expenses	39,891
TOWN CLERK & Legitimate Expenses	26,754

and raise by taxation the sum of \$1,534 for the Treasurer/Collector and the sum of \$1,029 for the Town Clerk to be apportioned by the Town Accountant to the applicable line items voted under Article 5 of this warrant.

ARTICLE 4.
Water Department Income

To see if the Town will vote to have all the income from the Water Department paid to the Town Treasurer and estimated receipts used by the Assessors in fixing the tax rate for the ensuing fiscal year, or take any other action relative thereto.

VOTED to have all the income from the Water Department paid to the Town Treasurer and estimated receipts used by the Assessors in fixing the tax rate for the ensuing fiscal year.

ARTICLE 5.
FY 1991 Operating Budget

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds such sums of money as may be necessary to defray expenses estimated for the ensuing Fiscal Year commencing July 1, 1990, or take any other action relative thereto.

VOTED to appropriate the sum of \$22,114,118.00 necessary to defray expenses estimated for the ensuing Fiscal Year commencing July 1, 1990, as listed under "FY 1991 Selectmen" column as line items 101 through 955, inclusive and to meet said appropriation to transfer from

Sewer Receipts Reserve, \$99,851.66 to 501, DPW

Plymouth County Dog Fund, \$9,493.28 to Line Item 605, Library

and to raise by taxation all other sums listed in said "FY 1991/Selectmen" column and, further, that each amount raised shall be a segregated and separate amount and, except as specifically voted by the Town, that no transfer shall be made from any such segregated and separate amount to any other amount

either within or outside the amounts allocated to the same department and further, that no amount shall be payable to any person hereunder for expenses or services except upon presentation of a voucher, signed by such person, and itemizing such expense or service.

ARTICLE 7. Waterways Improvement Fund

To see what sum the Town will vote to take from the Waterways Improvement Fund established under General Laws, Chapter 60B, Section 2 (i), to defray the costs associated with the Town Pier, in accordance with General Laws, Chapter 40, Section 5, Clause 72, or take any other action relative thereto.

VOTED to appropriate and transfer to Line Item 951/200 Maturing Debt, Principal established under Article 5 the sum of \$23,000.00 from the Waterways Improvement Fund, established under General Laws, Chapter 60B, Section 2(i), to defray the costs associated with the Town Pier, in accordance with General Laws, Chapter 40, Section 5, Clause 72, and to decrease the amount raised by taxation under Article 5 by the same amount. Unanimous vote.

ARTICLE 8. Collective Bargaining Agreements

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds a sum of money necessary to implement the collective bargaining contracts; said sum to be apportioned by the Town Accountant to the applicable line items voted under Article 5 or to take any other action relative thereto.

VOTED to transfer from

Article 6, Line 18 of the 1985 Annual Town Meeting \$59.32
Article 12 of the 1986 Special Town Meeting \$9,773.54
Article 13 of the 1986 Special Town Meeting \$30,400.00

and to raise by taxation the sum of \$159,767.14

for the purpose of funding future wage and adjustments for collective bargaining contracts; said sums to be apportioned by the Town Account to the applicable line items voted under Article 5. Yes 384 No 99

ARTICLE 9.
Capital Improvement Plan

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds the following sums of money, or any other sums as may be necessary to defray the costs of the Fiscal Year 1991 Capital Improvement Plan submitted in accordance with Section 6-6 of the Scituate Home Rule Charter and outlined as follows, or take any other action relative thereto:

1) \$118,359 for sixth-year lease purchase agreements authorized by the vote of the 1985 ATM Article 6, Line 3.

2) \$107,821 for fifty-year lease purchase agreements authorized by vote of the 1986 ATM Article 7, Line 4.

ITEM 1

VOTED to raise and appropriate the sum of \$118,359.00 for the sixth-year payment on the Lease/Purchase Agreement authorized by the vote of the 1985 Annual Town Meeting, Article 6, Line 3. Unanimous vote.

ITEM 2

VOTED to transfer from

Article 8, Line 9 of the 1984 Annual Town Meeting, \$51,824.33

Article 6, Line 4 of the 1985 Annual Town Meeting, \$55,393.54

Article 6, Line 18 of the 1985 Annual Town Meeting, \$603.13

for the fifth-year payment on the Lease/Purchase Agreement, authorized by the vote of the 1985 Annual Town Meeting, Article 7, Line 4. Unanimous vote.

ARTICLE 10.
Capital Plan : Transfer of Funds

To see if the Town will transfer the sum of \$80,000.00 voted under Article 6, Item 14 of the 1988 ATM for the construction of Stockbridge Landfill drainage to Article 6, Item 12 of the 1988 ATM for improvements to the Driftway Sanitary Landfill, or take any other action relative thereto.

VOTED to transfer the sum of \$80,000.00 voted under Article 6, Line 14 of the 1988 Annual Town Meeting for the construction of Stockbridge Landfill drainage to Article 6, Item 12 of the 1988 Annual Town Meeting for improvements to the Driftway Sanitary Landfill. Unanimous vote.

ARTICLE 11.
Plymouth County Cooperative Extension

To see if the Town will vote to raise and appropriate the sum of \$150.00 to be expended by the trustees of the Plymouth County Cooperative Extension and choose a Director in accordance with provisions of the G.L. of Mass., Chapter 128, Sections 40-45, or to take any other action relative thereto.

VOTED to transfer from Article 6, Line 18 of the 1985 Annual Town Meeting the sum of \$150.00 to be expended by the Plymouth County Cooperative Extension and choose a Director in accordance with provisions of General Laws, Chapter 128, Sections 40-45. Unanimous vote.

ARTICLE 12.
Final Phase : Taxable Real Property for FY 1991 Revaluation

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds a sum of money to engage a revaluation firm certified by the Massachusetts Department of Revenue to conduct the final phase of revaluation update in the Town for the purpose of establishing by the Board of Assessors of the assessed values as of January 1, 1990 as required by said Department of Revenue, or to take any other action relative thereto.

VOTED to transfer from the Stabilization Fund the sum of \$57,000.00 to engage a revaluation firm certified by the Massachusetts Department of Revenue to conduct the final phase of revaluation update in the Town for the purpose of establishing by the Board of Assessors of the assessed values as of January 1, 1990 as required by said Department of Revenue. Unanimous vote.

ARTICLE 13.
Conservation Fund

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds the sum of \$5,500 to be added to the Conservation Fund established pursuant to General Laws, Chapter 40, Section 5 for the maintenance of the Driftway Park, for acquisition of land and rights therein for public use, or take any other action relative thereto.

VOTED to transfer from Article 6, Line 18 of the 1985 Annual Town Meeting the sum of \$2,500.00 to be added to the Conservation Fund established pursuant to General Laws, Chapter 40, Section 5, for the maintenance of the Driftway Park and for acquisition of land and rights therein for public use. Unanimous vote.

ARTICLE 14.
South Shore Coalition

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds a sum of money to be combined with funds from other member communities in support of the South Shore Coalition of the Metropolitan Area Planning Council, or take any other action relative thereto.

VOTED to transfer from Article 6, Line 18 of the 1985 Annual Town Meeting the sum of \$2,000.00 to be combined with funds from other member communities in support of the South Shore Coalition of the Metropolitan Area Planning Council. Unanimous vote.

ARTICLE 15.
Use of Funds from Union Cemetery Lot Sales

To see what sum the Town will vote to appropriate from the fund, established under G.L. Chapter 114, Section 15, for proceeds from the sales of cemetery lots, to reimburse the Town for the cost of the care, improvement and embellishment, or enlargement of Union Cemetery, or take any other action relative thereto.

VOTED to indefinitely postpone. Unanimous vote.

ARTICLE 16.
MGL Chapter 91 Liability

To see if the Town will vote to assume liability in the manner provided by General Laws, Chapter 91, Section 29, as amended, for all damages that may be incurred by work to be performed by the Massachusetts Department of Environmental Protection for the improvement, development, maintenance, and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tide-waters, foreshores and shores along a public beach in accordance with Section 11 of said Chapter 91 and to authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth, or take any other action relative thereto.

VOTED to assume liability in the manner provided by General Laws, Chapter 91, Section 29, as amended, for all damages that may be incurred by work to be performed by the Massachusetts Department of Environmental Quality Engineering for the improvement, development, maintenance, and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a public beach in accordance with Section 11 of said Chapter 91, and to authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth. Unanimous vote.

ARTICLE 17.
Transfer of Municipal Land for Certain Housing Purposes

To see if the Town will vote to accept Chapter 235 of the Acts of 1989 which provides:

“In any city or town which accepts the provisions of this paragraph, when land is being transferred for the purpose of construction low and moderate income housing, the vote required of the Town Meeting shall be by a majority vote,” or take any other action relative thereto.

VOTED: No.

ARTICLE 18.
Acceptance of Mt. Hope Road as a Town Way

To see if the Town will accept the layout of the Selectmen in accordance with a plan on file at the Town Clerk's office and available at the DPW/Engineering Division office making Mt. Hope Road a Town way, or take any other action relative thereto.

VOTED to indefinitely postpone.

Unanimous vote.

ARTICLE 19.
Acceptance of Captain Daniel Litchfield Lane as a Town Way

To see if the Town will accept the layout of the Selectmen in accordance with a plan on file at the Town Clerk's office and available at the DPW/Engineering Division office making Captain Daniel Litchfield Lane a Town Way, or take any other action relative thereto.

VOTED to indefinitely postpone.

Unanimous vote.

ARTICLE 20.
Acceptance of Briar Meadow Circle as a Town Way

To see if the Town will accept the layout of the Selectmen in accordance with a plan on file at the Town Clerk's office and available at the DPW/Engineering Division office making Briar Meadow Circle a Town Way, or take any other action relative thereto.

VOTED to indefinitely postpone.

Unanimous vote.

ARTICLE 21.
Acceptance of Indian Wind Drive as a Town Way

To see if the Town will accept the layout of the Selectmen in accordance with a plan on file at the Town Clerk's office and available at the DPW/Engineering Division office making Indian Wind Drive a Town way, or take any other action relative thereto.

VOTED to indefinitely postpone.

Unanimous vote.

ARTICLE 22.
By-Laws, Chapter 3: Amendment to Section 4 March Date for Annual Town Meeting

To see if the Town will vote to amend the By-Laws, Chapter 3, Section 4 as amended by Article 41 of 1988 ATM, by changing the first sentence to read as follows:

“The Annual Town Meeting shall be held on the first Monday in April and further sessions of said meeting as required to complete action on matters covered by the warrant thereof shall be held on succeeding Wednesdays, Fridays, and Mondays, legal holidays excepted”

or taken any other action relative thereto.

VOTED to indefinitely postpone.

Unanimous vote.

ARTICLE 23.
By-Laws, Chapter 3: Amendment to Section 1 Posting of Town Meeting Warrant

To see if the Town will vote to amend the By-Laws, Chapter 3, Section 1, to read as follows:

“Notice of Town Meetings shall be given by posting an attested copy of the warrant, calling the same, in the Post Office and at the Town Hall, thirty days at least before the day appointed for said meetings, and by publication in a newspaper, if any be published in the Town”

or take any other action relative thereto.

VOTED to amend the By-Laws, Chapter 3, Section 1 to read as follows:

“Notice of Town Meetings shall be given by posting an attested copy of the warrant, calling the same, in the Post Office and at the Town Hall, thirty days at least before the day appointed for an Annual Town Meeting and fifteen days at least before the day appointed for a Special Town

Meeting, and by publication in a newspaper, if any be published in the Town.”

Unanimous vote.

ARTICLE 24.
Recodification of the General By-Laws

To see if the Town will vote to accept recodification of the General By-Laws using the numbering system as follows:

First two numerals will represent the Chapter, the third and fourth numerals will represent the Section; viz, Chapter 1, Section 1 will not be 0101.

VOTED to accept recodification of the General By-Laws using the numbering system as follows:

First two numerals will represent the Chapter, the third and fourth numerals will represent the Section; viz, Chapter 1, Section 1 will not be 0101.

ARTICLE 25.
Quarterly Tax Billing

To see if the Town will vote to accept Chapter 653 of Acts of 1989 which would allow the Town of Scituate to mail real estate and personal property tax bills on a quarterly basis, or take any other action relative thereto.

VOTED to indefinitely postpone.

ARTICLE 26.
Stabilization Fund

To see if the Town will vote to raise and appropriate the difference between the levy net and the levy limit into the Stabilization Fund, in accordance with General Laws, Chapter 40, Section 5B, or take any other action relative thereto.

VOTED to raise and appropriate the difference between the levy net and the levy limit into the Stabilization Fund, in accordance with General Laws, Chapter 40, Section 5B.

SPECIAL TOWN MEETING

March 5, 1990

ARTICLE 1. Bills of Prior Years

To see if the Town will vote to appropriate the sum of \$1,221.67 for the payment of bills of prior years; said payment to be as follows, or take any other action relative thereto:

12/12/88	Brockton Regional MRI Fire Dept.	\$ 850.00
2/ 2/89	TMCA Foundation, Inc., Fire Dept.	\$ 268.80
6/29/89	South Shore Hospital, Fire Dept.	\$ 103.67

VOTED to transfer from 801-100 Non-Contributory Pensions/Personal Services the sum of \$1,222.47 for the payment of unpaid bills as follows:

12/12/88	Brockton Regional MRI, Fire Dept.	\$ 850.00

**QUESTION 1,
Proposed Amendment to the Constitution**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on December 17, 1987 by a vote of 180 to 6, and on June 11, 1990 by a vote of 186 to 6?

SUMMARY

The proposed constitutional amendment would repeal the constitutional provision that a state census be taken and used as the basis for determining state representative, senatorial and councillor districts. The proposed constitutional amendment would provide that the federal census shall be the basis for determining such districts.

QUESTION 2.
Law Proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or House of Representatives before May 2, 1990?

SUMMARY

The proposed law would place restrictions on the State's use of consultants. It would place various limits on the amount of profit, overhead charges and expenses that the State could pay consultants. It would limit the duration of consultant contracts to two years and any extension to one year, and it would limit the degree to which such contracts could be changed to require payments in excess of the original contract. The proposed law would limit to \$100,000 the amount the State could pay on a consultant contract with an individual and would require all other consultant contracts in excess of \$25,000 to be sought through competitive bidding. It would prohibit consultants from supervising State employees, and it would limit the use of consultants as substitutes for State employee positions.

In addition, the proposed law would place limits on the total amount of money State agencies, departments and authorities could spend on consultants each year. Subsidiary provisions would also establish a method for these entities to gradually come into compliance with the new spending limits and would give authority to the State Secretary of Administration and Finance, on request, to permit some spending in excess of the new limits. The proposed law would also require State agencies, departments and Authorities as well as the Secretary of Administration and Finance to submit yearly reports concerning the State's consultant contracts to certain legislative committees and to the Inspector General.

Finally, the proposed law provides that any of its provisions, if found by a court to be unconstitutional or otherwise unlawful, would be severed from the law and the remaining provisions would continue in effect.

BLANKS	48	56	43	82	32	64	325

QUESTION 3.
Law Proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 2, 1990:

SUMMARY

This proposed law would change the state income tax rate, affect language contained in certain tax provisions, and regulate the setting of fees by state agencies and authorities.

The proposed law would set the state income tax rate on Part B taxable income (in general, earned income) at 4.25% for 1991 and 4.625% for 1992, except for income from unemployment compensation, alimony, Massachusetts bank interest, rental income, pension and annuity income, and IRA/Keogh deductions, which would be taxed at 5%.

The proposed law also providees that the fee imposed by any state agency or authority shall be no more than the fee that was in effect on or before June 30, 1988. The state Secretary of Administration would determine the amount to be charged for any service, registration, regulation, license, fee, permit or other public function, except for the rates of tuition or fees at state colleges and universities or any fees or charges relative to the administration and operation of the state courts. Any increase or decrease in a fee, or the establishment of any new fee, would require the approval of the Legislature. Any increase in a fee would not apply to persons 65 years of age or older. No state agency or authority could collect any fee which exceeds the administrative costs directly incurred by the state agency or authority to produce and process the application for any license or permit. The Secretary of Administration must report information concerning fees to the Legislature on an annual basis.

The proposed law provides that for tax periods commencing on or after January 1, 1991, language in certain provisions of the Massachusetts general laws relating to taxes shall be the same as it was on August 2, 1989, or the effective date of the proposed law, whichever language yields less tax revenue. The tax provisions affected include sections relating to the surtax on business income, corporate excise taxes, S corporation taxes, taxes on security corporations, taxes on Part A income (in general, unearned income), bank taxes, excise taxes on alcoholic beverages and cigarettes, excise taxes on deeds, estate taxes, payments to the Commonwealth relating to horse and dog racing, payments to the Commonwealth relating to boxing and sparring matches, taxes on utility companies, gasoline taxes, taxes on insurance companies, excise taxes on motor vehicles, taxes on urban redevelopment corporations, sales tax, use tax, room occupancy excise tax, property taxes, and taxes on proceeds from raffles and bazaars.

The proposed law also contains a provision that if any sections of the law are held to be invalid, all other sections of the law are to remain in effect.

BLANKS	30	29	25	55	21	34	194

QUESTION 4.
Law Proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or House of Representatives before May 2, 1990?

SUMMARY

This proposed law would change the state election laws governing the establishment of political parties and the nomination of candidates.

The proposed law would allow voters to register under a political designation other than “independent” and in addition to the two political parties previously recognized by law (Republican or Democrat), if at least fifty voters request to be permitted to do so. It would allow any group to qualify as a political party under Massachusetts law if at least one percent of the total number of registered voters register to vote using that group’s political designation, or if at least three percent of the votes cast at the preceding election for any statewide office were cast for a candidate running under that group’s political designation.

The proposed law would set the minimum number of signatures needed on independent or minor party nomination papers for state office at one-half of one percent (1/2%) of the entire vote cast in the previous state election for governor (as compared to 2% as of 1989), and would also establish this number of signatures as the upper limit needed for major party candidates. The proposed law would also permit voters to sign the nomination papers of any number of candidates for the same office, would require that all blank forms to be used for nomination papers and initiative and referendum petitions be no more than 8-1/2” by 14” in size, and would allow signatures to be collected on exact copies of those forms.

QUESTION 5.

Law Proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 2, 1990?

SUMMARY

This proposed law would regulate the distribution to cities and towns of the Local Aid Fund, which consists of at least 40% of the revenue generated by the state income, sales, and corporate taxes, as well as the balance of the State Lottery Fund.

Subject to appropriation by the legislature, the State Treasurer would distribute the Local Aid Fund to cities and towns on a quarterly basis, and each city or town would receive at least the same amount of local aid it received in the previous fiscal year unless the total Local Aid Fund decreases.

In fiscal year 1992, if there has been any increase over the fiscal year 1989 fund, half of the increase would be distributed in accordance with the distribution formula used for fiscal year 1989, and half would be distributed to each city and town in proportion to its population.

In each year after 1992, if the fund increases, the excess would be distributed through a formula devised by the state Secretary of Administration and Finance, with the advice and consent of the Local Government Advisory Committee. If the fund decreases after 1992, each town or city will have the amount it receives decreased by the same percentage.

This proposed law also requires that the Treasurer publish an annual report about the Local Aid Fund, that the state Auditor publish an annual audit of the Account, and that the Secretary of Administration and Finance issue to each city and town an estimate of funds it will receive from the Local Aid Fund.

Each city or town would be allowed to bring a lawsuit to force distribution of the account, and would be entitled to a late payment fee if distribution is not timely.

Respectively submitted,
Pauline F. Guivens, *Town Clerk*

REPORT OF THE BOARD OF REGISTRARS

William Francis

1990 was a very busy year for the Board of Registrars. It began with the Annual and Special Town Meeting where we assured all members of the meeting were registered voters. From there we moved to the Annual Town Election holding special registration hours to register voters. We certified nomination papers for candidates running for office also.

In August, at Heritage Days, the registrars had a booth to register new voters and over 50 people registered to vote at that time. Next came the State Primary, again new voter registration was heavy, with state candidates' nomination papers and ballot question papers to certify. Primary Election Day saw the board handle over 2,600 party entollment cards. A few days following the primary, the board was notified of a recount of ballots cast for the Republican office of State Senator. The recount was held and the process went smoothly.

Finally, our last event of the year, the State Election, was held and the board again was busy certifying voters. On behalf of Edna Parker and myself, I would like to thank the other two members of our board, Town Clerk Pauline Givens and Assistant Town Clerk Barbara Maffucci for the extraordinary effort and time they put forth in making the Board of Registrars function so well.

REGISTERED VOTERS STATISTICS

<u>1970</u>		<u>1980</u>		<u>1990</u>

Gerald Stone, *Asst. Wiring Inspector*

SEALER OF WEIGHTS AND MEASURES

Sealer Fees collected for 1990 and submitted to the Treasurer \$138

Respectfully submitted,

Thomas Brown,
Sealer of Weights and Measures

BEAUTIFICATION COMMISSION

The 12 member Beautification Commission maintained an active calendar of events. We sponsored Shipshape Day, our annual spring clean-up day, with a record number of volunteers clearing litter from roadways and public areas.

Over 60 volunteers participated in our highly visible ADOPT-A-LOT program. The program has grown to now include 30 garden plots at intersections, public buildings, or parks, that are planted and maintained, by citizen volunteers, with plants supplied by the commission. With the assistance of a landscape architect, our tree planting subcommittee will put their hours of research to work to plan the landscaping of the reconstructed Front Street business district. Fifty areas have been designated for potential planting next year, and the commission hopes to co-ordinate the "streetscaping" project.

In December, three businesses were awarded the annual Beautification Award for well-maintained and attractive commercial properties. The Barker Tavern, Turnstone Realty Trust for 50 Country Way, and Kennedy's Country Gardens were recognized.

The traditional Beautification Christmas tree was located at Lawson Common, where its white lights and red bows sparkled throughout the holiday season.

Once again, the success of our goals has been the result of hours of dedicated volunteer support from townspeople.

Respectfully submitted,

Valerie F. Vitali,
Chairperson

BOARD OF HEALTH

Kevin Kinsella

The Scituate Board of Health members are Chairman, Kevin Kinsella; members, James Lydon and Gilman Wilder. In June, Gilman Wilder was appointed to a new three-year term.

The Board of Health held 33 public hearings and 17 appointments during the course of business at their meetings this year.

The Board of Health office issued 446 permits and returned \$36,992.00 to the Town of Scituate during the calendar year.

Board projects this year included a major revision of the local Title V regulations dealing with subsurface sewage disposal systems. These revisions are extensive and must be published before becoming effective. Such costs are expensive and the Board is exploring adequate funding for this. The Board members have also been exploring alternative means of sewage treatment including Solar Aquatics. The Board of Health met briefly with the Citizens Advisory Committee to discuss the Facilities Plan submitted by Metcalf & Eddy. The Board of Health also met with the appointed Citizens Service Committee which is reviewing all town government functions.

The Board of Health also annually funds an algae treatment project at Musquashicut Pond. This project's funding is also proposed through FY/92 though after that time its future is in doubt.

The Board of Health staff dealt with three court cases this year, two dealing with lead paint in houses where children under six reside and one sewage disposal system matter. As year ends, two cases have been resolved. One lead paint case is still outstanding.

Director Jennifer Lamb Sullivan, conducted a food sanitation informational session for all Scituate church kitchen workers. The Scituate Board of Health is grateful for the helpful coordination of Reverend Douglas Rosenvinge who is serving as a liaison for the Scituate churches. After meeting with Reverend

Rosenvinge, the Scituate Board of Health voted to eliminate fees but still require permits for functions involving public food service by non-profit and charitable organizations.

In August, the staff had to deal with the mosquito-borne Eastern Equine Encephalitis crisis of Southeastern Massachusetts. The Massachusetts Department of Public Health finally had area-wide spraying conducted in the early mornings and late afternoons over a three-day period. Unfortunately, there was little or confusing information readily available to the local health departments which were inundated with telephone calls from the concerned public. We were forced to rely on radio and newspaper information unless access could be gained via public information recordings. Local health departments as well as the general public were very critical of the extremely poor communications and consequently the State Department of public Health has a project ongoing to develop better planning and communication for such future events as may be necessary.

As always, we would like to thank our loyal and capable staff Jennifer Lamb Sullivan, Director of Public Health; Carmen D. Bonney, Secretary; and Eileen Scotti, Public Health Nurse, for their service this year as well as all those town departments which have assisted us in our work.

The following is a report of the public health nurse's activities and specifics of the activities of the office staff.

BOARD OF HEALTH
Communicable Disease Report for 1990

Animal Bites	27
Campylobacter	5
Hepatitis A	2
Hepatitis B	4

THE COUNCIL ON AGING

Rev. Alan Copithorne

In spite of a near 25% reduction in town funding for FY 1991, the Council on Aging managed to continue to offer quality service and advocacy for Scituate's senior citizens. Through a combination of grant money, fund-raising by the Scituate Senior Association (including the highly successful September auction) and user-fees, the Council "weathered" the town's financial crisis.

Two new staff persons were added in 1990, funded by special state and federal grants. Both positions are part-time. Caroline Monteiro joined the staff in October as the Bilingual Outreach Worker, working primarily with our Cape Verdian community, and Marion Emery was added in June as the Elder Service Worker, acting as a "friendly visitor" to our seniors.

Considerable effort was spent by the Council in 1990 in reviewing and responding to the physical needs of the Catherine McGowan Senior Center on Brook Street. Improvements to the air circulation system were approved (with work to be done in early 1991). With the cooperation of the Handicap Commission, a fully accessible ramped entrance has been added to the rear of the Center. Investigation surfaced a serious problem with the wooden sills on which the building sits. Some \$6,000 has been requested of the town's capital budget to replace the sills. Ongoing is an investigation into updating the Center's fire alarm system. In an attempt to encourage a long-range look into the Center's needs, the Council has appointed a Building Plans Committee.

Aware of the special housing needs of seniors (and those with physical handicaps), the Council investigated the Massachusetts physical handicaps, the Council investigated the Massachusetts Housing Finance Agency's "HILP" program for funding certain types of home maintenance and improvement loans for the elderly and the handicapped. In November, after an application process, the Scituate Council on Aging was appointed a Certifying Agency for this special program. In essence, this means that the Council will be the screening agency for such loan requests and the monitor of rehabilitation work undertaken through such a loan.

Aside from the areas highlighted above, the Council continued its normal function of monitoring the services provided to the elders in Scituate by the Coordinator of Senior Services, Ruth Sisson, the programs of the Senior Center, the transportation services offered by the Council's two vans, and the invaluable work of the Outreach Worker, Jean Hoogeveen. The Senior Center continues to be a "nutrition site" of South Shore Elder Services meals program, and countless volunteers continue to deliver "Meals on Wheels" from the Center. The Council, with the cooperation and help of the First Trinitarian Congregational Church, is into its second full year of providing a noon meal on Thursdays.

The Council is indebted not only to its staff, but to the many who volunteer in so many ways to help carry out the purpose and the program of the Council. To all of our volunteers, a large thank you! And I am indebted to the Council in assisting me in my role as Chairperson! My thanks to all who have supported the work of the Council on Aging!

Respectfully submitted,

(The Reverend) Alan C. Copithorne,
Chairperson

SCITUATE PUBLIC BUILDING COMMISSION

This past year has been a year to remember, or one to forget depending on your outlook, for the Public Building Commission. The Animal Shelter Project, voted on by the townspeople on two separate occasions, was put on hold as a result of the Planning Board's decision to turn down a special permit for its construction behind the Town Hall complex. The Public Building Commission is presently awaiting direction from the Selectmen relative to the Animal Shelter Project.

Respectfully submitted,

Michael Fournier, *Chairman*

CONSERVATION COMMISSION

Stanley Humphries

The Commission has continued to review a large number of applications in spite of the slow down in new construction. Members have started the implementation of the Draft Rules and Regulations under the Wetlands By-law and anticipate finalizing them this year.

The Town has been the recipient of several parcels of land to be used for conservation purposes. The donations include parcels off Ellms Path, given by Kris Larsen, Lot #39 Trysting Road, donated by Richard and Ann Hubbell and 3 lots off Georges and Seamore Road, donated by Jack Shore. These donations will be welcome additions to the Town's open space preservation and some will assist in flood control.

As an Eagle Scout Project a Driftway Nature Trail has been arranged at Driftway Park. The project was done under the supervision of Eagle Scout David Nameika. He has included a brochure identifying the vegetation along the trail at the ten stations. The Commission will be distributing these for use when viewing the trail.

Respectfully submitted,

Stanley Humphries, *Chairman*
Elinor M. Foley, *Agent*

FIRE DEPARTMENT

Chief James Breen

Structure Fires	21
Heat/Chimney/Electrical Fires	54
Outside/Grass/Brush Fires	80

Total Incidents	2024

*Not included in total

Fire Inspections	194
Permits Issued Outside Burning Permits	1855
All Others	395

The Scituate Fire Department would like to extend its appreciation to the citizens of Scituate, the Town Officials and all Boards and Committees for their assistance and cooperation during this past year.

Respectfully submitted,

James E. Breen, *Fire Chief*

SHADE TREE MANAGEMENT AND PEST CONTROL

The Public Grounds Division, D.P.W. removed and trimmed dead limbs on approximately seventy (70) trees along our Town roadways.

The Division also planted 35 new street trees in areas where dead trees had been removed and where trees were needed.

This Division responded to a few calls for the spraying of poison ivy.

Respectfully submitted,

George W. Story, *Supervisor*

TOWN FOREST COMMITTEE

The Town forests are available to Scituate residents and organizations for recreational use. Rubbish is picked up on a regular basis by the Public Grounds Division.

It is hoped that all who use the Town Forests will leave them in the same, or better condition than they found them.

Respectfully submitted,

George W. Story, *Supervisor*

POLICE DEPARTMENT

Chief Thomas R. Neilen

SUMMARY OF WORK DONE BY THE DEPARTMENT

Arrests	443
Protective Custody Detainments	109
Motor Vehicle Accidents Investigated	217
Citations Issued	1,223
Cases Prosecuted in Court	764

MONIES RECEIVED BY THE DEPARTMENT

Court Fines	41,405
Restitution for Damages	3,237
Bicycle, FUD, Pistol Permits	2,356
Court Witness Fees	1,116
Photo-Copy Receipts	1,391
Cash Sale of Gasoline	10

CODE ENFORCEMENT

Fines Issued	103
Total Calls and Complaints	1,251
Wildlife Calls	83
Dogs Impounded	78
Dogs Adopted	4
Dogs Euthanized	0
Cats (Wild) Euthanized	10
Dog Bites Investigated	33
Dogs Quarantined	33

I would like to thank all of the residents and employees of the Town of Scituate for their suggestions and assistance during the past year. I welcome all comments from members of the community regarding the quality and type of police services being provided by our department.

Respectfully submitted,

Chief Thomas R. Neilen

TRAFFIC RULES AND REGULATIONS COMMITTEE

The Traffic Rules and Regulations Committee serves in an advisory capacity to the Board of Selectmen. The Committee held eleven, monthly meetings and issues discussed and addressed were: Site Plan Reviews and Special Permit Reviews submitted by the Planning Board; numerous requests from Scituate residents concerning review of dangerous intersections, requests for warning and regulatory signage, speed limit checks, police enforcement of “problem areas”; and review of the Front Street Project.

The Committee looks forward to assisting the Board of Selectmen, Planning Board and concerned citizens in 1991.

Respectfully submitted,

Paul Gailinas, *Chairman*

OLD COLONY RESTORATION COMMITTEE

The Board of Selectmen recently established the Old Colony Restoration Committee to coordinate Scituate's participation in the planning and regulatory process to rehabilitate the Old Colony railroad line. The Committee has two primary objectives: (1) to advocate for the restoration of the Greenbush Branch of the Old Colony line and (2) to ensure that all planning, safety, and environmental impacts associated with the project are addressed to the town's satisfaction.

The Committee is comprised of the following town officials and residents: Tom Bledsoe, Planning Board; Ralph Crossen, Building Inspector; Gerry Dwight, Selectman; Janet Fairbanks, Conservation Commission; Kevin Kinsella, Board of Health; Steven Lynd, Public Works Advisory Committee; and Jack Shaw, citizen representative.

The Committee has completed its initial review of the proposed project in Scituate and has identified the primary areas which need further discussion and modification. Meetings will be held in 1991 with the MBTA to address these priority issues, and public comment and input will be solicited from impacted Scituate residents and merchants. Through an advisory question on the upcoming March town election, Scituate voters will get an opportunity to state their opinion about whether they favor the restoration of the Greenbush branch of the Old Colony line. The Committee will help residents evaluate this issue by presenting information to the public about the proposed project and its impact on Scituate.

Respectfully presented,

Thomas A. Bledsoe
Chairman

LIBRARY TRUSTEES

The Board of Library Trustees faced the enormous task of maintaining town-wide services with a depleted budget. Through will and determination, we managed to provide hours, staffing and materials for all members of this community.

We said a fond farewell to Miss Virginia Heffernan. A woman who has for many years upheld a very professional and exemplary library center for the Town of Scituate. Scituate is very fortunate in having Mrs. Kathleen Meeker as the new Library Director. She has worked with the Board of Trustees to meet the many library needs of our entire community. She and the current staff have always been open to innovative and new ideas.

The Library Board of Trustees wishes to thank the many people and community groups that have assisted us through this financially troublesome year.

Very truly yours,

Sandra Liberty, *Chairman*

THE PUBLIC LIBRARY

Kathleen Meeker

1990 has been an eventful year. In May, Virginia Heffernan retired, after twenty-two years of dedicated service as Director of the Library. After serving as Assistant Director, I became the new Library Director on July 1.

In the Spring, the Old Colony Library Network contracted with a new automation vendor, Dynix, Inc. so our computerized system once again became operational. The library plans to be "on-line" with its new computerized circulation system in FY 92.

Early in the year the library became aware of the budget restrictions scheduled to become effective on July 1. In order to cope with these budget reductions, library hours were shortened, and the books and materials budget was reduced by more than half. Even though the fiscal picture was grim, thanks to the generosity and cooperation of the staff, the public, our faithful volunteers, and especially the Friends of the Library, we have managed to weather a difficult time.

Looking towards the future . . . we hope to restore library hours and increase our budget for books and materials. Until then, we thank all of you who contributed to our book and magazine collections, and we encourage your continued support. Also, thanks to all of you who have had to adjust to our new schedule. We do hope to restore Wednesday evenings in FY 92. With your support, we hope to continue to expand library hours and services.

Respectfully submitted,

Kathleen Meeker,
Library Director

HISTORICAL SOCIETY

Kathleen Laidlaw

On behalf of the Trustees and Officers of the Scituate Historical Society, I am pleased to make the following report to the people of Scituate about the use and maintenance of the Historic Sites under the administration of the Scituate Historical Society.

The following historic properties are under the custody and administration of the Scituate Historical Society by vote of the town. The Scituate Lighthouse is maintained by a revolving fund which is called the Lighthouse Gift Fund. The rent and donations go into this fund which is under the control of the Scituate Historical Society. All maintenance and renovation of the Lighthouse is paid for from this fund. The Cudworth House, the Mann Farmhouse, and the Lawson Gates are maintained by a small budget in the Town Warrant. The Cudworth Barn, the Little Red Schoolhouse, the Stockbridge Mill, and the Old Oaken Bucket Homestead are owned and maintained completely by the Historical Society and no taxpayer's dollars are used for these buildings. This is an annual gift from the Historical Society to the town.

The following maintenance has been done on the historical sites this year: At the Lighthouse, we put a cedar shingled roof on and Cuprinoled it. We also put a new cedar shingled roof on the Cudworth Barn. We repaired and painted the Lawson Gates on Branch Street. At the Mann Farmhouse, we Cuprinoled the roof and the beams in the cellar. When we spray with Cuprinol, it preserves the wood for a much longer period. The taxpayers paid only to paint the trim on the Cudworth House and for the painting of the Lawson Gates. One major repair we made has created great interest. We completely rebuilt the Cattle Pound located below the Cudworth Barn. The Pound was originally built in 1671 where the ell of the Gates School now is. Wilmot Brown, President of the Historical Society at the time, urged the Selectmen to agree to removal of the Pound to its present location before the ell was built. I called Joseph Bonomi, who builds dry stone walls better than anyone, and asked him to rebuild the Pound. In describing a pound, it was always said to be "Horse High, Bull Strong, and Hay Tight." Mr. Bonomi, used the original stones and built the Pound 20 x 30 feet, waist high,

and 36 inches wide. It is a work of art and Scituate can be very proud of it. The Historical Society paid for all this work. We are pleased to report all the historic sites in excellent condition.

We had five very well attended tours during the summer and a Christmas tour on December 9th, 2:00 to 5:00 at the Lighthouse, the Old Oaken Bucket, and the Little Red Schoolhouse, all three buildings decorated by the Garden Club. The 4th grade children from the Hatherly School made decorations and decorated a beautiful tree inside the Schoolhouse under the direction of Martin Grassie. On Sunday, the children sang carols, the Rulon Hand Bell Ringers gave a concert, refreshments were served, and we had Santa Claus in attendance.

We also had our usual four meetings a year with most interesting speakers.

We are very proud to be the publishers of the newest book about Scituate's history, *Scituate's Educational Heritage 1630-1990*, written by Jarvis Freymann.

We have a wonderful volunteer staff at the Schoolhouse which we keep open the year around, 10:00 to 4:00 every day except Sunday. The new book is on sale at the Schoolhouse as well as our many other books on Scituate's history.

During the year, I took over 500 school children on tours through the Lighthouse, Lawson Tower, the Cudworth House, and the Little Red Schoolhouse. I had groups of children from Rehoboth, Holbrook, Cohasset, Hingham, Hanover, and Scituate. I want to thank Ruth and George Dowton for the many times they open the Lighthouse for visitors in addition to the tour days.

If you wish to be a member of the Scituate Historical Society come to the Little Red Schoolhouse, Cudworth Road, and pick up an application.

The Historical Society appreciates very much the continuing support the people of Scituate give us to make all this possible.

Sincerely,

Kathleen Laidlaw, *President*

HANDICAPPED COMMISSION

Robert Tarantino

The Commission sponsored a community access monitor training Seminar by the Massachusetts Office on Disabilities. It was attended by more than twenty-five people, including building inspectors, contractors, architects, Planning Board members and other Town Officials from Scituate and local towns. We had several requests from the DPW for help with correct installation of numerous curb cuts. The biggest job was overseeing the Front Street project. We are still trying to get some of our beaches made accessible with the help of the Friends and the Recreation Department. The Friends of the Handicapped Commission gave us tremendous support and financial aid for maintenance on our Van, radio repairs and our I.D. bracelet program which was co-sponsored by the Friends of the Council on Aging. The Accessible Van provided transportation for 60 to 70 persons a month to doctors and hospital appointments. We also took a group of wheelchair users to the Flower Show and a shopping trip to the Independence Mall.

I would like to thank everybody who gave us financial aid, support and help.

Respectfully submitted,

Robert Tarantino, *Chairman*

**TRUSTEES FOR
PLYMOUTH COUNTY COOPERATIVE EXTENSION**

In accordance with the General Laws of the Commonwealth, Chapter 128, the Trustees for Plymouth County Cooperative Extension are empowered to receive, on behalf of the County, money appropriated by any town, or by the Federal Government for carrying out the provision of the Law, under which they are appointed.

Agents have made contacts during the past year in every community, either by public meetings, individual visits, group discussions and demonstrations, in attempting to assist the needs of the citizens toward helping to solve management problems, better living, and better community service. Cooperative Extension staff have been ably assisted by many local volunteer leaders.

A total expense of \$150.00 was incurred during the year for the purchase of material needed in carrying on the various Extension programs. The appropriation made by your town was used for residents of the town and expended as follows:

EXPENSE — 1989-90

Books and Manuals purchased for Town	\$ 10.00
Town Director's Expense	—
Bulletins, Paper, etc.	75.00
4-H School Programs	50.00
4-H & Home Ec. Leader Expense	<u>15.00</u>
Total	\$150.00

FINANCIAL SUMMARY

Current Appropriation (1990-91)	\$150.00
Suggested Appropriation for 1991-92	150.00

Respectfully submitted,

Mary M. McBrady, *County Director*

ANIMAL CONTROL BOARD

The Animal Control Board is that five member board appointed by the Board of Selectmen to oversee the enforcement of the Animal Control By-Law and to serve as the permit granting authority pursuant to Chapter 18. The Board held several hearings this year and attempted to contact the owners of unlicensed dogs.

The Board welcomed a new member, Kathleen Connors, who has been a wonderful addition. The Board will continue its efforts to see that the Animal Control By-Law is enforced and in that way help to make Scituate a better place for man and beast.

Respectfully submitted,

Herbert J. Moran, *Chairman*
Ronald Carty
Suellen Conlon
Kathleen Conors
Kathleen Donahue

WATERWAYS COMMISSION

William Fairbanks

The Waterways Commission held thirteen regular meetings with additional study groups and hearings scheduled. We recommended a new user fee for boats in marinas not presently supporting the Harbor Master's budget. After discussions with the Selectmen and public hearings, this fee was implemented in July.

A pump-out for the Town Marina has been recommended to the Selectmen after studying types, costs, and visiting other marinas with pump-outs. The Waterways Commission also met with various citizen advisory committees reviewing the harbor and related services. A meeting with the Marshfield Chief of Police, Harbor Master and

Waterways Committee was held to discuss mutual concerns and patrols in the North and South Rivers.

Respectfully submitted,

William C. Fairbanks,
Chairman

COASTAL ZONE MANAGEMENT COMMISSION

John Luttman-Johnson

During 1990 the Scituate Coastal Zone Management Commission continued to monitor issues which could affect coastal areas of the town, as well as those concerning the future of the town as a whole. Members attended regional meetings concerning the revised Chapter 91 Regulations, and continued to follow the progress, and problems, of the return of the Greenbush Line by attending meetings of the Old Colony Restoration Committee.

In October the Second Annual Beach Clean-up, held in conjunction with National Coastweek, left our coastline free of debris as many citizens rose to the challenge.

Our thanks are extended to Michael Donahue, who served the Commission as chairman for several years, and to Carol Burns. They will continue to serve as Associate Members.

Respectfully submitted,

John Luttman-Johnson, *Chairman*
Scott Mitchell, *Vice-Chairman*

SHELLFISH DEPARTMENT

Shellfishing during the past year was a mixed bag. Sea clam stocks in the Minot Beach and Egypt Beach areas have once again proliferated. Just a reminder that a license is required for these as well. However, the areas containing the softshell clams and mussels have remained closed for most of the year due to high fecal coliform counts.

The red tide once again made its appearance on our coastline this summer. It was a regional phenomenon extending from Nova Scotia all the way down the coast to the Cape. During times of Red Tide Closures, no clams, mussels or periwinkles should be taken. The red tide is a naturally occurring form of plankton which blossoms when certain tidal and weather conditions are present. The clams feed on this plankton, which contains a toxin deadly to humans.

The North and South River estuary is still the best area in town for soft-shell clams. This area had a nice set of baby steamers this past spring and summer. Unfortunately, the area is still seasonally closed by the state Division of Marine Fisheries from May 1st through October 31st due to higher than acceptable limits of fecal coliform. This year the area has remained closed through November and December as well for the same reason. There is a direct correlation between the fecal coliform counts and any significant rain which has led to roadway runoffs. The engineering of all of the catchbasins has been to direct the flow of water from the roads to the lowest spots, which ultimately feed into the rivers. The rain washes all of the bird, cat, dog and other wild animal droppings into the rivers which temporarily elevates the count for several days.

While the shellfish stocks have been recovering nicely, the problem with pollution remains. Will the condition deteriorate, remain the same or improve? There are many environmental, political and economic factors which will ultimately determine the destiny of this area.

Respectfully submitted,

Joseph H. Strazdes,
Shellfish Constable

HARBOR MASTER DEPARTMENT

Elmer Pooler

The Harbor Masters Department is a multi-service department with three main objectives:

1. The protection of life and property of 1600 boats in the Scituate waterways.

This year there were no drownings or serious accidents. We also had no reported boat thefts or B & E's on boats. I credit this to the alertness, training and experience of my staff.

Because of the budget crunch patrols in the North and South Rivers were going to be cut back. Fortunately, though, through the efforts of this department we received a State Grant for "Boating Safety Patrols" from the Department of Environmental Police and were able to keep our planned schedule.

2. The management and operation of Cole Parkway Marina. There were 185 boats in the marina this year for which we provided full service. There was also a large number of transient vessels at the marina and on moorings whose passengers in turn sought the services of the merchants and restaurants in town.

All maintenance and repairs to the marina are done by this department. Currently during these winter months we are making much needed repairs to the finger piers, floats and the patrol boats.

The maintenance and overall operation of the Town Pier is also our responsibility. Fishing was very poor this year and several of the fishing vessels never left the pier all summer. There were no major problems at the pier this year.

3. We do all the billing and collection of mooring fees, marina fees, town pier fees and the user fee for boats docked at marinas. This user fee was approved by the Selectmen in May 1990.

This year it was difficult getting the bills out on time because of the unexpected resignation of the clerk/dispatcher in March, which is our busiest time for billing and collecting of these fees.

I express my appreciation to all town officials and all departments, committees and boards and especially to my dedicated staff for your assistance and cooperation during the past year.

Respectfully submitted,

Elmer E. Pooler,
Harbormaster

DEPARTMENT OF VETERANS' SERVICES

Lawrence Langley

The month of August 1990 brought the retirement of Edward Horne, Director of Veterans' Services, Veterans' Agent and Veterans' Burial Officer, after a decade of compassionate and devoted service to the Town's military veterans and their families.

Ed had served the veterans' community of Scituate with the same strength and character that he displayed while a 1st Lt. and bombardier with the U.S. Air Force during World War II. The veterans of Scituate owe a debt of gratitude to Edward for his honorable service.

The Department of Veterans' Services is operated by the Town under directives issued by the Commonwealth of Massachusetts through the office of the Commissioner of Veterans' Services.

Our mission, under this program, is to provide assistance to those eligible war veterans or their dependents, who are proven to be qualified. Each case is

investigated and determined to be within the scope of Chapter 115 of Massachusetts General Laws.

For each case authorized by the State, the Town receives 75% reimbursal for all monies expended.

In addition to Ch. 115 cases, the department assists veterans in all claims they wish presented to the Veterans Affairs Department of the Federal government.

This office is located at the Town Hall and is open and manned on Monday, Tuesday and Wednesday of each week.

The supervision of the care of veterans' grave sites continue to be a significant part of our mission, as well as the continued presentation of appropriate services on Memorial Day and Veterans' Day. All veterans' graves are decorated twice each year with a U.S. Flag.

All veterans residing in Scituate are invited to register their military documents at this office which will assure that these valuable papers are available if a need arises.

Military, Air Force and Naval personnel going through training to be constantly prepared for active duty and going into action at a moments notice, portrays human beings rigidly instructed to defend themselves and others against people threatening our freedom and peace. The acceptance of such duty and service brings forth a recruit, male or female, who shows pride and love of country with the ultimate possibility of the giving of one's life.

Respectfully submitted,

Lawrence J. Langley, Sr.

DEPARTMENT OF PUBLIC WORKS

Anthony Antonello

Richard Kenney

Robert Sylvester

Paul Scott

George Story

Kenneth Bates

General:

The Department of Public Works is a service organization responsible for providing essential public works support services for the citizens of Scituate. Services provided by this department include the design, construction and maintenance of streets, sidewalks, sewer, water and storm drainage systems; installation of sewer and water service connections; surveying and mapping; maintenance and repair of vehicles and equipment; maintenance of parks, beaches, public buildings and off-street parking facilities; public refuse and disposal operations; administration of construction contracts; review of subdivision projects, inspection of construction projects and the operation of the sewer and water treatment plants and sanitary landfill.

Organization:

The Department of Public Works is organized into five divisions, each under the direct supervision of a division supervisor and the overall direction of the Director of Public Works.

DIRECTOR
Anthony Antonello

<u>Engineering</u>	<u>Water</u>	<u>Highway</u>	<u>Public Grounds and Buildings</u>	<u>Sewer and Sanitary Landfill</u>
Paul Scott	Richard Kenney	Robert Sylvester	George Story	Kenneth Bates

MAJOR ACCOMPLISHMENTS:

In addition to providing routine maintenance, service and plant operations, the D.P.W. completed the below listed major projects and programs during the past year:

- Completed draft of the Wastewater Treatment Plant Facilities Plan.
- Started construction of modifications to Water Treatment Plant.
- Completed construction of Sanitary Landfill improvements.
- Started Front Street Federal Urban Systems Reconstruction Project.
- Completed Wastewater Infiltration/Inflow Study.
- Completed North River Watershed Management Plan.
- Completed reconstruction of Lighthouse parking and park area.
- Completed construction of improvements to closed Stockbridge, and Clapp Road landfills.
- Completed Harbor dredging environmental permitting.
- Completed computerized Budget and Financial Control.
- Provided technical review of 33 Foam A plans, special permits and site plans and 3 sub-division plans for the Planning Board. Also provided construction inspection services for 4 sub-divisions.
- Painted over 500,000 L.F. of pavement and traffic markings.
- Graded 12 miles of gravel roadways.
- Cleaned 1672 catch basins and repaired 24 basins.
- Repaired and painted over 250 L.F. of guardrail fencing.
- Sealed over 30,000 L.F. of roadway cracks.
- Replaced over 100 street signs and posts.
- Installed over 500 L.F. and repaired over 100 L.F. of storm drainage.
- Resurfaced over 1300 L.F. of sidewalks.
- Resurfaced over 20,000 S.Y. of roadway.
- Replaced 121 defective water meters; installed 227 new water meters and repaired or replaced 46 frozen water meters.
- Renew 27 water services and installed 11 new water services.
- Replaced 22 lead water services.
- Replaced 98 defective water services valves and/or boxes.
- Repaired 10 defective hydrants and replaced 4 hydrants.
- Repaired 19 water main leaks and investigated for repair by owner or Town 60 house water services.
- Replaced 3 main gate valves.
- Pumped and treated 554 million gallons of potable water.
- Removed 70 dead trees along roadways and planted 35 new trees.
- Spray for poison ivy control throughout the Town.

- Treated and processed 344 million gallons of wastewater and 2.3 million gallons of septage waste.
- Connected 5 houses to the sanitary sewer system.
- Recycled 77 tons of glass, 411 tons of metal. 548 tons of newspaper and 5900 gallons of waste oil, 7000 tires and 1000 lbs. of tin cans.

The Department of Public Works would like to extend our appreciation to the citizens of Scituate, Town Officials and all Departments, Boards and Committees for their assistance and support during the past year.

Respectfully submitted,

Anthony Antonello,
Director

Our best to new retirees:

Harry Mclarey — 21 Years of Service

Annis Marsh — March 4, 1990

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Project is a special district created by the State Legislature in 1957, and is now composed of 23 Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a regional response to a regional problem and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

1990 was a year of extensive mosquito activity due to significant rainfall during Autumn and Spring. Efforts aimed at the immature larval mosquitoes were pushed to the limit. Upon emergence of the spring brood of adult mosquitoes, ultra low volume spraying began. Residential complaints were received at our office in record numbers, and all available manpower was utilized to combat requests from homeowners concerning the abundance of mosquitoes in their particular areas. All sprayers and trucks performed well and almost no time was lost to breakdowns.

The figures specific to the Town of Scituate are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Scituate residents.

Insecticide Application. 12,533 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in October.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year a total of 179 inspections were made to 104 catalogued breeding sites.

Finally, we have been tracking complaint response time, that is the time between notice of a mosquito problem and response by one of our inspectors. The complaint response time in the Town of Scituate was less than two days with more than 678 complaints answered.

Water Management. During 1990, crews removed blockages, brush and other obstructions from 5,735 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Machine Reclamation. 3,150 linear feet of Salt Marsh ditch was reconstructed in Scituate using one of the Project's three track driven backhoes.

Mosquito Survey. A systematic sampling of the mosquitoes in Scituate indicates that *Aedes vexans* was the most abundant species. Other important species collected included *Aedes excrucians* and *Aedes sollicitans*.

We encourage citizens or municipal officials to call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Kenneth W. Ludlaw, Ph.D.
Superintendent

RECREATION COMMISSION

The Scituate Recreation Commission accepted the resignation of Recreation Director, Jean L. Gilbert. Marie A. Foster was named Recreation Assistant to maintain the Recreation Department. The Commission also accepted the resignation of Chairman Joseph Tondorf, voted John Shea to succeed him and welcomed Rosemary Lonborg as their newest member.

The Recreation Department receives an appropriation from the Town budget for the Department Head's salary and staffing the beaches in the summer. No Program money is received. Therefore, all programs are supported by user fees, fund raisers, donations and grants. The Friends of Scituate Recreation, Inc., is a non-profit funding vehicle for Scituate Recreation. The "Friends" fund-raisers included a drive for Financial Assistance Programs in the Spring and a Gala "Evening with Ken Coleman" in the Fall. Both were successful and well received.

The Scituate Recreation Department continues to offer through The "Friends," summer programs that included: Recreational Playground Program, Pre-School, Little People, Arts & Crafts, Sailing, Baseball Camp. Youth Golf Lessons, Adult Golf Lessons, babysitting course and an adult trip to Tanglewood.

The Fall programs included: Adult Basketball, Adult Coed Volleyball, Girls and Boys' Basketball, Gymnastics, Children's Halloween Party and Morning and Afternoon sessions of Little People Program. The Little People Playgroup Program has grown so much that we have expanded to afternoon sessions and have included a summer session.

The Winter Programs included: Blue Bills Ski Lessons, Ski Trips, Silk Flower Class, Special Needs Recreation Program, Adult Indoor Golf Lessons, Little People AM and PM Winter sessions, Arts & Crafts Winter classes, and trips to Phantom of the Opera in NYC and Disney on Ice.

The Spring offerings included: Adult Golf Lessons, 6 & 7 Yr. Old Instructional Soccer, Arts & Crafts Spring Classes and Little People AM and PM Spring Sessions.

The Recreation Commission and The Friends of Scituate Recreation, Inc., thanks the Parks Department, Highway Department, and all other Town Departments for their assistance this year. We sincerely express our appreciation to the people of Scituate for their continued help and support.

Respectfully submitted,

John Shea, *Chairman*

SOUTH SHORE REGIONAL VOCATIONAL TECHNICAL HIGH SCHOOL

For the past 29 years, South Shore Regional Vocational Technical High School has been adding value to the lives of thousands of students from South-eastern Massachusetts. Nearly 31% of our graduates have gone on to assume leadership and/or ownership positions in businesses and industry in our region. That's an added value. Every year South Shore provides dozens of services for our member towns including printing forms and booklets, providing culinary services to special town projects, painting and decorating municipal buildings, discount culinary and cosmetology services to senior citizens, building houses and additions for local citizens and repairing myriads of town vehicles. This represents not only value added to our member towns but significant savings for them as well.

The academic and technical education available at South Shore enjoys the reputation as being "top shelf." Every year approximately 80% of our graduates go directly into the work force in the career areas for which they have been trained. On the average, 15% will go on to college and 3% into the military. Currently there are 409 students enrolled at the school. Ninety-six or 23% are female while 313 or 77% are male. Last June 5, students from your community graduated from South Shore. These graduates include: Alex Turner, Fristen Greek, Ellis Menakos, Chris Martin, Bryan Peterson.

As of October 1, 1990, 16 students from your town are enrolled in several of the present 17 programs offered at the school.

South Shore has been proud to serve the community of Scituate and the region over the years. We appreciate your support and pledge to continue to deliver the highest quality programs it is within our power to provide to you and to your children and to continue to add value to the entire South Shore Community.

Respectfully submitted,

South Shore Regional School District Committee
(Marie) Val Baker
Scituate Representative

SCHOOL COMMITTEE

Carol Lane

Terrance Gorman

Lou Chin

Michael Hayes

“It was the best of times . . . the worst of times.” The year 1990 opened with the Scituate Schools facing their most significant fiscal crisis in recent memory. A declining economy in Massachusetts and the nation, losses in state revenues, cutbacks in state aid to the cities and towns, slowing of new growth in Scituate, the rising cost of shared municipal services, and the constraints of Proposition 2-1/2, combined to impel the Board of Selectmen to ask that the 1990-91 school budget be reduced 8.8% beneath that originally appropriated for 1989-90. Because of rising salary and other costs, the guideline amount was approximately 13.5% below the schools’ anticipated needs for 1990-91 — the first year since the early 1970’s that the total school population would increase.

After lengthy budget hearings, the School Committee reduced \$755,361 from the proposed budget, by making significant personnel reductions involving the schools’ libraries, art and music departments, and the administrative/supervisory, secretarial and custodial staffs; and by making major cuts in athletics, student activities, special education, building maintenance, supplies, textbook

acquisitions and staff development. Equipment requests for FY '91 went unfunded. To forestall far greater damage, the Committee requested that a Proposition 2-1/2 override question, in the amount of \$872,891, be placed before the voters of the town. This was aimed at preventing elimination of 31 professional staff positions, which included classroom teachers at all levels; art, music, home economics, industrial technology, business education, physical education, special needs and reading teachers; guidance counselors; and elementary school aides. In short, the Committee sought to ask the citizenry of Scituate what they were willing to pay for their children's futures.

The response was heartening. While the ballot question passed by a narrow 76 votes margin, the issue brought together a remarkable coalition of individuals committed not merely to education, but to ensuring that municipal services of all types were available to those in need among our population. The value of the untiring work of the group known as "Save Our Scituate" in helping the Town and its schools meet the fiscal crisis of 1990 can never be understated. They demonstrated to all that Scituate is a true community, dedicated to helping one another, and unwilling to sacrifice the education of its children.

Despite the availability of this funding, it was necessary for the Committee to institute what was hoped to be a temporary user fee for students participating in interscholastic athletics. and yet, the fee itself was not anticipated to fully meet the costs of athletic and student activity reductions. The gap was to be filled through fundraising. This challenge to the school community was answered through the formation of a non-profit corporation, S.H.O.R.E., Inc. (Scituate High Opportunities & Resources for Education), whose members have unswervingly labored to find funding for programs that otherwise would have been lost.

Much of the energy of the administrative staff of the schools and the Committee was absorbed by the budget crisis during the first part of the year, and the impact of the budget reductions will continue to affect the schools for years. Losses of state grant funding for educational programs, for Horace Mann Teachers, and for the support of School Improvement Councils compounded the difficulties the schools faced. Yet, in the midst of this, the dedication, professionalism and hard work of our teachers and administrators has been unfailing in meeting the needs of our students.

This was a year for saying farewell to several individuals whose presence has been virtually synonymous with the Scituate Schools in recent years. These included Mr. J. Joseph Gibbons, principal of Gates Intermediate School for more than 30 years, and Mrs. Jacqueline H. White, principal of Cushing School and a leader in the development of the Philosophy and Goals for Elementary Education in Scituate, who retired. Together, they represented more than 70 years of work in education. We thank them for their dedicated service to the Scituate schools, and we wish them long life and an enjoyable retirement. They will be solely missed.

In addition, Dr. Allan Alson, principal of Scituate High School for 4-1/2 years, resigned to become Assistant Superintendent of Schools in Evanston,

Illinois. His outstanding abilities both as an educator and as a leader were critical factors leading to the excellent review given of Scituate High by the 1989 accreditation report.

Dr. Vida Gavin, Director of Special Needs for the last 9 years, departed Scituate at the end of the 1989-90 school year to become Superintendent of Schools for Chatham, Massachusetts. During her tenure, the Special Needs programs of the Scituate Public Schools often received statewide acclaim for their excellence. Her particular skills in grant writing and management enhanced the delivery of services to the children under her care to a remarkable degree. Special thanks are due both to Dr. Gavin and to Dr. Alson, and we extend our best wishes for success in their new endeavors.

The departures of these educators were followed by a series of search committees, who labored tirelessly to present an array of highly qualified candidates before the Committee. By mid-summer, the Committee had appointed Mrs. Maureen Berman, our former Early Childhood Coordinator, as principal of Cushing School; Dr. Joan DeSalvo as principal of Gates Intermediate School; and Mrs. Prudence Goodale, former assistant principal, as principal of the High School.

Both in response to the town's fiscal situation and in an effort to streamline supervision, a major reorganization, involving consolidation of department chairpersons and curriculum coordinators was implemented. This restructuring included the creation of a system-wide curriculum coordinator function, a long recognized need, which was joined with the functions of the former Director of Special Needs. Mrs. Susan Taylor was appointed to the resulting new position. We welcome her and our three new principals, and offer our hopes for their success in the years ahead.

In light of several factors involving the need for continued planning, future fiscal uncertainties, and the slowing of growth within Scituate, the School Committee deferred action toward implementation of the School Space Study Committee recommendations for grade realignment in the 1991-92 school. The reports had also shown that Jenkins School, closed as an elementary school in 1983, would not be needed as such in the foreseeable future. In response, the School Committee voted to declare the building and its property surplus, and to return it to the Town at the end of June, 1992.

Particular commendations are due to the continued successful after school care program, which has been based at Hatherly School; to the Drug Awareness and Resource Education (D.A.R.E.) program at Gates School under Officer Domenic D'Arcangelo; and to our nationally recognized bicycle safety program, created and enthusiastically led by Mr. Martin Grassie and Mrs. Robert Platka, and supported by the Scituate Kiwanis and local businesses.

Finally, it would be impossible to let this year go by without recognizing Mr. Jarvis M. Freymann who published his monumental study, *Scituate's Educational Heritage 1630-1990*, documenting the fascinating saga of educational awakening, struggle and progress which has affected our schools from the days

of the Men of Kent through the fiscal problems of 1990. Mr. Freymann reminds us that our Town's heritage of "freedom by the sea" stands upon the bedrock of its educational system. Yet, he points out that this system faces serious challenges; and that the amount of attention, involvement and support each citizen is willing to give our schools will largely determine the prosperity and well-being our community will enjoy in the 21st Century.

The School Committee extends its gratitude to all of our teachers and administrators who in a time of crisis continued to work so diligently to improve our schools and to serve our children so well. Particular thanks are due to the many parents and members of the community who give untiringly of themselves and unstintingly of their resources to the schools and children of our town. Our Director of Business and Finance, Mr. David Killory, must be recognized for his seemingly indefatigable efforts in helping wisely manage the resources our schools rely upon. Finally, a special thank you is due to Dr. John P. Kulevich, whose remarkably high standards of educational leadership, and steady, confident and seemingly inexhaustible direction enabled the schools to weather successfully a tumultuous year.

Respectfully submitted,

Terence J. Gorman,
Chairperson

SUPERINTENDENT OF SCHOOLS

Dr. John Kulevich

I am pleased to report to you the following accomplishments of the Scituate Public Schools in 1990:

- One hundred seventy-eight seniors graduated, eighty-five per cent of whom enrolled in either four year colleges or post secondary schools.
- The recruitment, screening, interviewing and hiring of individuals for the administrative positions of Principal of the High School (Prudence Goodale replaced Allan Alson who accepted an Assistant Superintendency in East Evanston, Illinois), Principal of the Gates Intermediate School (Joan DeSalvo replaced J. Joseph Gibbons who retired), Principal of the Cushing School (Maureen Berman replaced Jacqueline White who retired) and Director of Curriculum, Instruction and Special Services (Susan Taylor replaced Vida Gavin who accepted a Superintendency in Chatham) were completed.
- A plan for the consolidation and reorganization of supervisory personnel was prepared, accepted and implemented. (15 Department Chairperson positions, 1 Athletic Director and 1 Project Specialist for Curriculum and Computer Education were consolidated/reorganized into 8 Department Chairperson positions and 4 Program Specialist positions; 12 Elementary Curriculum Leader positions were consolidated/reorganized into 3 Elementary Curriculum Leader positions; and the position of Director of Special Services was reorganized into the position of Director of Curriculum, Instruction and Special Services.)
- The Two-Year Progress Report on Scituate High School was submitted to the New England Association of Schools and Colleges.
- New course offerings at the High School included Consumer Math, Banking/Money Management, Current Issues in Financial Planning,

Introduction to Photography, Probability and Statistics, ChemCom and Standard First Aid and CPR.

- Two students were chosen as National Merit semi-finalists and four students received letters of commendation.
- Twelve students were accepted to participate in the S.E.M.S.B.A. Music Festival, seven students to the Southeast District Music Festival and two students to the All-State Music Festival.
- In keeping with the High School's philosophy of recognizing excellence, seventy-five students received Student of the Month awards, four students won Scholar/Athlete awards, and seventeen students were recipients of National History Day awards.
- One student received two *Globe* Key Art awards and four students received honorable mention at the regional competition.
- One student was the first place winner in the painting category of the Gerry Studds Congressional Art Competition.
- Three students were accepted into the Worcester Art All-State Festival.
- Two art students were accepted into Boston University's Saturday program, one student into the Massachusetts College of Art's Saturday program and two students into the Art Institute of Boston's Saturday program.
- Three Junior girls and three Junior boys attended the American Legion Girls' and Boys' State programs.
- Nineteen students participated in the Spanish Exchange program with Getxpa, Spain.
- Two students were named to the *Boston Globe* All Scholastic Teams.
- Four students were selected as the *Boston Herald's* All Scholastic Relay Team.
- Twelve students were named to *The Patriot Ledger* All Scholastic Teams.
- The Girls' Soccer, Girls' Winter and Spring Track, Girls' Tennis, Softball, Girls' Gymnastics, Wrestling and Golf teams competed in State Tournaments.
- The Girls' 440 Relay Team finished first in the New England Girls' Track Meet.

- The Girls' Shotput Relay Team placed first in the Massachusetts Winter Track Meet.
- The Girls' Winter Track Team won the Class "C" Championship in the Massachusetts Girls' Indoor Relay Competition, the Massachusetts Girls' Indoor Track Championship and the Massachusetts Girls' Outdoor Track and Field Championship.
- The Girls' Gymnastic Team was South Shore League Champions, placed second in the Sectionals and fourth in the State competition.
- Mr. Robert Keefe was named Girls' Gymnastics Coach of the Year and Mr. William Smith was named Girls' Track Coach of the Year by the *Boston Globe*.
- Mr. Joseph Hayes was selected as Division II Football Player of the Year by the *Boston Globe*.
- The Drug Awareness Program (D.A.R.E.) was expanded to include the eighth grade.
- Nine students at the Gates Intermediate School were selected to participate in the Massachusetts Music Educators Association Southeast District Junior Music Festival.
- The Co-teaching Program, which involves Special Education teachers working cooperatively with other teachers in mainstream classrooms at the Gates Intermediate School, was expanded.
- A sixth grader won *The Patriot Ledger* Spelling Bee and competed in the National Competition in Washington, D.C.
- The Scituate Community After School Care Program completed a successful first year at the Hatherly School.
- A Mathematics Incentive Program was initiated at the elementary level.
- Special Education programs, services and procedures, were evaluated in a comprehensive process.

The following Federal grants were prepared, submitted and awarded for the 1990-1991 school year:

Chapter I	\$ 73,792.00
Chapter II Block Grant	8,324.00
P.L. 94-142 S.N.E.S. (Spec. Ed.)	111,356.00
P.L. 94-142 L.I.P.S. (Spec. Ed.)	26,064.00
P.L. 89-313 Project Aid (Spec. Ed.)	13,650.00

P.L. 98-524 Carl Perkins (Voc. Ed.)	
Project 1 Handicapped Skill Support	2,989.00
Project 2 Handicapped Guidance	4,701.00
Project 3 Limited English Skill	1,556.00
J.T.P.A. (Spec. Ed.)	31,525.56
Drug & Alcohol*	11,643.00
Title II*	3,099.00

*Approval pending

In addition, State grants which were prepared, submitted and awarded for the 1990-1991 school year are as follows:

METCO	\$161,956.00
Chapter 188 Early Childhood	41,973.00
Chapter 188 Horace Mann*	1,427.00
Chapter 188 School Improvement Councils	
Cushing	650.00
Hatherly	706.00
Wampatuck	850.00
Gates	1,006.00
High School	1,312.00
Leadership Academy	500.00

*Approval pending

This past Spring after having reduced the proposed FY '91 budget by nearly \$500,000, due to a reduction of local aid from the State, it was necessary to ask the citizens of Scituate to vote on an override of Proposition 2-1/2 (approximately \$872,000 for the School Department). The override was essential for the education of our young people in order to avoid drastic cutbacks in programs and services and a significant number of staff reductions. Also, even with the override, the FY '91 school appropriation was approximately the same as the previous year, FY '90. I wish to thank the citizens of Scituate for the passage of the Proposition 2-1/2 override which enabled us to maintain needed staff, programs and services for our students. Finally, your continued support of our school system is appreciated.

Respectfully submitted,

John P. Kulevich, Ph.D.
Superintendent of Schools

SCHOOL COMMITTEE MEETINGS ARE OPEN

The Scituate School Committee meets on the first and third Tuesdays of each month, September through June, unless announced otherwise in the news media. Meetings are held at the Gates Intermediate School Library at 7:30 P.M. and are open to the public.

Initial admission of kindergarten and grade one children is based solely on chronological age. Children who will become five years of age by September 1 are eligible for kindergarten in September of that year. Children who will become six years of age by September 1 are eligible for grade one in September of that school year.

A vaccination certificate for immunization against diptheria, tetanus, pertussis, measles and polio must be presented to the school when a pupil enters for the first time, unless the child is exempted for medical or religious reasons.

A birth certificate must be presented by those pupils whose births were recorded outside of Scituate.
